**Do it now - Bella Ciao**

We need to wake up  
We need to wise up  
We need to open our eyes  
And do it now now now  
We need to build a better future  
And we need to start right now

We're on a planet  
That has a problem  
We've got to solve it, get involved  
And do it now now now  
We need to build a better future  
And we need to start right now

Make it greener  
Make it cleaner  
Make it last, make it fast  
and do it now now now  
We need to build a better future  
And we need to start right now

No point in waiting  
Or hesitating  
We must get wise, take no more lies  
And do it now now now  
We need to build a better future  
And we need to start right now
